**ASSEMBLY BILL**

**No. 670**

**Introduced by Assembly Member Spitzer**

February 21, 2007

---

An act to add Section 398 to the Penal Code, relating to animals.

LEGISLATIVE COUNSEL’S DIGEST

AB 670, as amended, Spitzer. Animals: bites: owner information.

Existing law makes it a misdemeanor or a felony for a person owning or having custody or control of a mischievous animal to negligently allow the animal to cause serious bodily injury to another person, as specified.

This bill would require a person who owns or has custody or control of an animal to immediately provide identifying information to another person when the person knows, or has reason to know, the animal bit the other person, as specified. Failure to provide the required information would be a misdemeanor, punishable by imprisonment in the county jail not exceeding 6 months *an infraction, punishable by a fine of not more than \$250.*

Because this bill would create a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*
